

BILMAR

DISPERSION

SHORTHORN DISPERSION

MONDAY, JUNE 8

BILMAR FARMS, DURAND, MICH.

Welcome To Bilmar

Our twenty-year association with Dwight and Virginia McCoy has been the finest relationship that could possibly exist between owner and manager. Any success that Bilmar has had must be credited directly to Dwight.

No one could be more regretful that Bilmar must come to an end. When the herd was reduced two years ago, it was done so that the operation could continue indefinitely with smaller numbers but with greater quality than ever. Now circumstances completely beyond our control force the sale of the farm and the cattle.

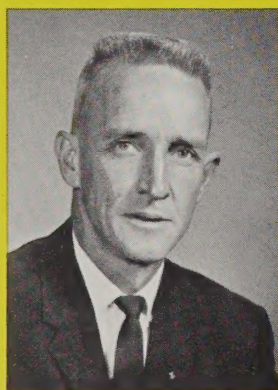

We have enjoyed the Shorthorn business and our many fine friends throughout the world. They are excellent people and we will sincerely miss them.

We urge all of our old friends to return to Bilmar this last time. We hope that those who have never made the trip will make a special effort to see the herd it has taken 20 years to assemble.

It's been a great two decades at Bilmar. We are confident that the cattle will do as well in your hands as they have for us.

Bill Boutell

Two Decades of Greatness

When Virginia and I arrived at Bilmar twenty years ago, the herd had barely been founded. It has been our privilege to build it almost from the first.

There has been a great succession of stock bulls whose breeding still shows in the herd in a major way. Aldie Apex, Kair Corporal, Bilmar Raider and Leveldale Romancer, to name only a few, did their jobs well.

It was my privilege to travel to Scotland on several occasions, each time securing a few of the best females available. Their daughters and granddaughters today make up an important part of the herd.

Things began to happen in a big way with the purchase of Westdrums Wayfarer in Perth in 1960. He won the youngest class and was a member of the best pair, best three, best three by one sire and best five by one sire. After his arrival at Bilmar, he developed into a bull of considerable scale and sired most of our winning show cattle for the next five years.

In 1962 I returned to Scotland to buy females for the herd. We were in good shape with Westdrums Wayfarer, so we were not particularly in the market for a bull.

Almost as soon as we arrived I learned that Calrossie Diadem was for sale. Bob Adam of Glamis had long followed a practice of selling his herd sires after two or three year's use. And, he always sold them for export so that other Scottish breeders would not end up showing their sons against him.

I immediately called the boss to suggest that we take all the female money and everything else we could find, to buy Diadem. He agreed, and the day before the Perth sale Diadem became ours.

Shipping a six-year-old bull can be risky business, but Diadem came through with flying colors. His record in North America forms an important and exciting part of Shorthorn history. He was equally successful for Michigan State University and for our good friend Mrs. Hugh Fenwick, Boll Weevil Plantation, Waynesboro, Ga., both of whom owned interests in the bull.

Since Diadem arrived, Bilmar has been rewarded with three good sales, in 1964, 1967 and 1968. In '64 when the first North American-bred Diadems sold, the top bull went to Acadia at \$10,100 for two-thirds. The bulls that day averaged \$2,466 and the entire sale averaged \$1,265.

The 1967 sale was equally successful, averaging \$1,080. The top bull brought \$6,000 for two-thirds and 15-2/3 bulls averaged \$1,667.

Shortly before the 1967 sale I had been seriously ill for an extended period of time. Rather than to disperse the herd, Mr. Boutell decided to cut it to the point that it could continue on a high quality level without further endangering my health.

Accordingly, a drastic reduction was made in the 1968 sale which again was a good one and included the year's top-selling bull in the U. S., Bilmar Atlas Diadem, at \$4,600 to H. Russell Held, Hinton, Iowa.

For the last two years Bilmar has continued on a smaller scale, but we feel the cow herd will now compare favorably with any in the country.

Now circumstances which are completely beyond our control force the sale of the farm and the entire herd. In the last 20 years, no one could have asked for a greater job than I have had. Bilmar and its cattle have been honored in countless ways by our fellow breeders. It is an association we will sincerely miss, but we value the experiences we have had.

We recommend each animal selling with complete confidence.

Since this sale was called on short notice the cattle are selling in thin condition as a result of wintering on nothing but hay. We have not had time to do a lot of work with the herd which will undoubtedly be to the buyers' benefit. Rather than take up a lot of space with lengthy footnotes we have chosen to make them brief, containing just the basic information. The cattle will speak for themselves on sale day.

Dwight McCoy

CALROSSIE DIADEM

Once or twice in each century comes a bull destined to mold the future of the entire breed. Such a bull is Calrossie Diadem. From the day he was born Calrossie Diadem has been acknowledged as the apex of modern Shorthorn achievement. The record of his fabulous sons and daughters stands at the forefront of the breed on four continents.

The Calrossie Diadem senior get-of-sire shown at the 1965 International. They won 19 first prizes at major shows in three years. Calrossie Diadem is the only bull we know of that ever sired the first-prize gets at two state fairs on the same day. Also, that same day he sired both the grand champions at Michigan and the champion female and reserve champion bull at Ohio.

Pictured in this get are the \$4,600 Atlas Diadem; Bilmar Augusta 26th that sells as Lot 9 and was reserve champion at Chicago; Bilmar Secret Maid that was champion at the American Royal and is now at Holly-shire; and Bilmar Broadhooks 6th, an All-American, that sells as Lot 16.

Westdrums Wayfarer was by the famed Uppermill Leopold, acknowledged by all as a sire of thick, red-meat stock bulls. When Wayfarer won the youngest class at Perth, his half brothers accounted for the best pair, best three, best three-by-one-sire and best five-by-one-sire. His dam is a renowned Saltoun Wimple that was the winning two-year-old at the 1958 Royal English show. He has been a consistent sire of champions, All-Americans, sale toppers and — most important — of a nucleus of females that is producing exceptional calves by Calrossie Diadem. Among others, Wayfarer sired the second top bull of the 1967 Bilmar sale, Bilmar Wayland, that sold at \$5,000 to Holly-shire, Holly, Mich. A number of daughters sell.

Bilmar Atlas Diadem was the top-selling bull in the U. S. in 1968 when two-thirds sold at \$4,600 to Russell Held, Hinton, Iowa.

He is by Calrossie Diadem and out of perhaps the greatest producing female Bilmar ever owned, Bilmar Augusta 6th by Kair Corporal. She also produced three full sisters to Atlas all of which sell. One was International reserve grand champion female the same day that Atlas was International reserve junior champion bull. Another full sister was grand champion of both the Ohio and Kentucky state fairs.

Atlas himself won countless championships in his show career and was three times an All-American. After a year and a half in the Held herd and heavy service, he still weighs a ton and is siring calves of great size and quality.

HOMEPLACE EXPECTATION, Lot 1.

LOT 1

HOMEPLACE EXPECTATION

Top of the 1969 National Western.

He's the bull chosen to follow

Calrossie Diadem.

Lot 1 HOMEPLACE EXPECTATION 3331-698

BILMAR BASIC x—Here's one of the first and easily the best son of Glatwyn Basic x that we own with Dick Braman, Ashley, Mich. Basic was undefeated in class in 1967, reserve grand champion of the Indiana State Fair and reserve champion of the Kentucky State Fair to Bilmar Atlas Diadem himself. Bilmar Basic x is out of one of the biggest and best daughters of Calrossie Diadem. He's a top polled prospect, bred differently from the polled bulls used by many today.

HOMEPLACE EXPECTATION was purchased at the top of the 1969 National Western sale to follow Calrossie Diadem. He earlier had been grand champion of the Indiana State Fair and All-American. He's by the International supreme champion Aberfeldy Deacon that also topped the 1964 Aberfeldy sale. He is out of Homeplace Empress 24th from easily the best family at Burke Allison's. She is by the \$4,000 Leveldale Rythm that, in turn, was out of Calrossie Rothes Jan that had earlier produced the International reserve grand champion Leveldale Richard. The first calves by Expectation have arrived at both Homeplace and Bilmar and look most promising. Just a three-year-old, the bull weighed 1,880 pounds on pasture April 15. Two-thirds interest sells; the Allison's own the other one-third.

Lot 3 BILMAR MANDARIN x3423-383

BILMAR AUGUSTA 26th—The International reserve grand champion female selling with a January 10 bull calf at foot by Homeplace Expectation. Chain No. 2.

BILMAR AUGUSTA 30th, Lot 11, as grand champion of the Ohio and Kentucky state fairs.

Bilmar sells all its fabulous Augusta family, some of the best females in the world!

The foundation cow was the exceptionally big Bilmar Augusta 6th by Kair Corporal that was a brother to the Perth champion Kair Masterkey. Her only son by Calrossie Diadem was Bilmar Atlas Diadem, the \$4,600 top-selling bull in the U.S. in 1968. He was International reserve junior champion and three-times All-American.

In 1965 Bilmar showed its first daughters of Calrossie Diadem. They were a matchless group and won throughout the country. Best of them all was the beautiful Bilmar Augusta 26th that was International reserve grand champion and All-American. She also was grand champion of the Illinois State Fair and won other championships at the Michigan State Fair, Kentucky State Fair, Ohio State Fair and American Royal. She sells.

Also selling is her full sister, Bilmar Augusta 30th, that was grand champion of both the Ohio and Kentucky state fairs in 1967. Equally good, although she was the wrong age and was never shown, is the other full sister, Bilmar Augusta 31st. Just think what this family can do for you!

the sale manager in advance so that a car may be waiting for you. Those arriving at the Flint airport should call Bilmar Farms (517) 288-2104 and a car will be sent. Private planes can land at the Owosso airport directly behind sale headquarters. Rental cars are available in both Detroit and Flint.

HEALTH—The Bilmar herd maintains high productivity standards and exercises the most stringent health measures. Bilmar Farms is federally accredited for brucellosis on certificate number 186 and certified free of tuberculosis on certificate number 096014. Each animal selling will comply with the health regulations of the state of Michigan. Health certificates on sale day will be issued by a veterinarian authorized by the Michigan Department of Agriculture.

BREAKFAST—Will be served at The Pines Restaurant on M-21 beginning at 7 a.m. the morning of the sale.

GUARANTEE—All bulls of breeding age are semen checked; all of the females will be pregnancy checked. No further guarantee is given, as is customary in dispersion sales.

TERMS—The terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance. All sales are final as soon as bid off and constitute a contract between buyer and seller. The auctioneer's and sale manager's marked catalogs will be the final authority in the event of any dispute over the final price. All attending this cattle sale do so at their own risk, although every precaution will be taken to guard against accidents. The sale manager and his staff, the auctioneers, ringmen, clerks, and consultants were hired for specific promotional and clerical tasks and have no connection whatsoever with the condition of the premises, handling of the cattle or fulfillment of the contract. They assume no liability.

INSURANCE—Will be available on sale day from the clerks or other authorized representatives.

LUNCH—Will be available sale day.

DINNER—Will be served the night before the sale at The Pines Restaurant on M-21 just east of Owosso, Mich.

FURTHER ANNOUNCEMENTS—A complete list of breeding dates and other vital information will be furnished at the sale. Announcements from the auction block will supersede any other material either written or oral.

The Amazing Record of Calrossie Diadem

Universally recognized as the world's most prepotent sire, his descendants on five continents prove his extraordinary value.

From coast to coast . . . from continent to continent . . . the Calrossie Diadem success is legend. Perth champions and top-sellers are his. The only bull ever to be Perth supreme champion and go on to the undefeated supreme championship of ALL the British shows is a Diadem son. The Diadem Dynasty reaches to Australia, South Africa, Canada, South America and wherever good Shorthorns and Polled Shorthorns are known.

In the United States the Calrossie Diadem senior get-of-sire has won 19 first prizes at leading shows including the American Royal, Illinois, Kentucky, Ohio and Michigan State Fairs.

The record of the Calrossie Diadem descendants for Bilmar . . . and Bilmar's customers . . . covers page after page of glowing Shorthorn history. Example: at the 1967 International three of the four grand champions were descendants of Calrossie Diadem himself!

CALROSSIE DIADEM

Calrossie Diadem is the only bull living or dead ever to sire four consecutive Perth supreme champion and/or top-selling bulls. Today the Diadem daughters and granddaughters in both Scotland and North America are pre-eminent in the best herds.

Calrossie Diadem sired the International reserve grand champion female and reserve junior champion bull that won these honors on the same day for Bilmar. At the 1967 International both champion females, the reserve grand champion bull and most of the winning groups were ALL granddaughters and grandsons of Calrossie Diadem.

From 1964 to 1968, Calrossie Diadem sons and grandsons, daughters and granddaughters won more All-American nominations than any other living Shorthorn bull.

The list of Calrossie Diadem sale tops is endless and includes toppers at the International sale, Indiana, "Best of Midwest," Ak-Sar-Ben National, "Choice of Champions," and the historic Bilmar sales where in 1964 a Diadem son sold at \$10,-100 and 1967 when another brought \$6,000. In the meantime the Diadem grandsons and granddaughters dominate sale after sale for their owners who are using Diadem sons.

AND BILMAR'S CUSTOMERS CONTINUE TO PROFIT

Bilmar Gallant Diadem, that sold at \$10,100 for two-thirds to Acadia, sired the Denver and International reserve grand champion, Acadia Gallant Diadem 7th, and Acadia Gallant Diadem 14th x, in service at Ashbourne Farms.

The \$2,600 top female of the last "Choice of Champions" sale by Diadem was sold by Mrs. Hugh Fenwick, Boll Weevil Plantation, Bilmar's co-owner of Calrossie Diadem.

Ohio's Lee Johnson purchased a Calrossie Diadem heifer in dam that later became grand champion of the Ohio State Fair.

A grandson of Calrossie Diadem was grand champion steer of the Ohio State Fair for Fred Stivers, Sardinia, Ohio.

Les Mathers purchased a Calrossie Diadem bull in dam at Bilmar that he later sold at \$4,100.

Reserve grand champion steer over ALL breeds at the Detroit Junior Steer Show was a Calrossie Diadem shown by David McCoy.

Nearly all of the highly successful KC Farms' show herd is by Glamis Benefactor that is one of the best known sons of Calrossie Diadem himself. Here is breeding power and prepotency than spans generations.

At the 1969 International Livestock Exposition, the reserve calf champion female and the best pair of females were by Bilmar Diadem and shown by Wayne Hinderliter, Albion, Ill.

Bilmar Dispersion!

When the Bilmar herd was reduced in 1968, it was done so that the herd could continue on a smaller but more select basis. Bill Boutell enjoys the Shorthorn business and has made a significant contribution to it. Only unforeseen circumstances force the sale of the farm and herd.

It has been a real privilege to work with Bill Boutell and Dwight McCoy. They have been 20 years building the Bilmar herd and their success has been eminent. Both "Builders of the Breed," they are in this business in a genuine effort to develop superior Shorthorns and Polled Shorthorns.

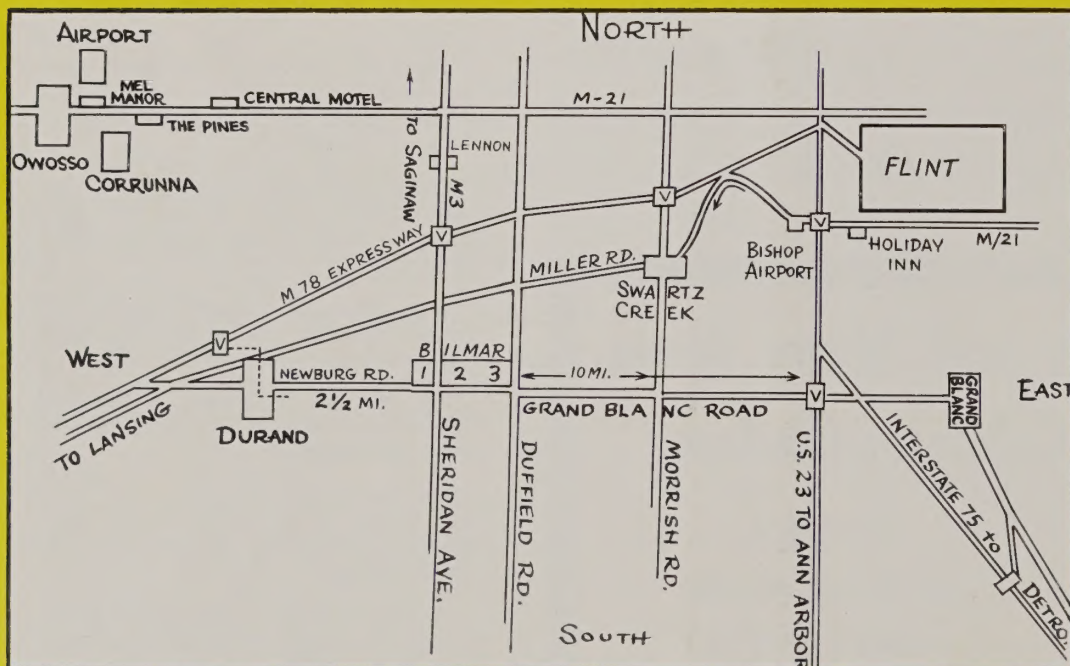

The loss of any herd is always a blow to the breed and the void left by Bilmar will be hard to fill. It does, however, present a rare opportunity. Everyone knows that dispersions always offer the best buying opportunities. That is more true at Bilmar than at many places because the herd has already been reduced to the point that only the best representatives of the most prolific and profitable families remain.

Here are the young stock bulls on which Bilmar was building its future. Here are the great foundation cows . . . the mothers of so many champions and herd bulls for others. True progress is made with cattle like these. How many will you own?

Harris Simons
The Shorthorn World

Eighteen daughters of the great Calrossie Diadem sell!

Bilmar Farms is located at 11909 Newburg Road, Durand, Mich. Those traveling on Interstate 94 should exit at Marshall on U.S. 27. Go northeast to Lansing. Then take M78 to Durand. Bilmar is three miles east of Durand on Newburg Road (also called Main Street in Durand and Grand Blanc Road further east). Those coming from Canada should take M21 to M13 and then proceed south to the farm. From Detroit exit at the Grand Blanc exit onto M54 to Grand

Blanc. Then go west 17 miles on Grand Blanc Road (which becomes Newburg Road) to the farm. From Ann Arbor take U.S. 23 to Grand Blanc Road. Then travel west 10 miles to the farm. Sale headquarters, the Mel Manor Motel, is on M-21 north and west of the farm. Nearby is the Central Motel, also on M-21. Dinner the night before the sale will be served at 6:30 p.m. at The Pines Restaurant on M-21 east of the sale headquarters in Owosso.

Be Our Guest

Allow plenty of time on Sunday, the day before the sale, to inspect the entire herd and sale offering. Plan to be Bilmar's guests at buffet dinner at 6:30 p. m. that night at The Pines Restaurant on M-21 in Owosso, Mich., near the home farm.
